SUMMARY

Flutter developer with 1+ year of experience shipping 3 apps live on Google Play and the App Store, built with Riverpod, REST APIs, Firebase, and Hive. Owned the Android and iOS implementation of Vapi Startup Community and resolve Jira-assigned bugs in production apps.

EXPERIENCE

Flutter Developer Associate, RND Technosoft | Apr 2026 – Present

- Ship and maintain live client apps: Vapi Startup Community (Google Play and App Store) and AGB Courier & Cargo Service (Google Play).
- Build Flutter screens and reusable UI components in Dart for company and freelance client apps.
- Integrate REST APIs and parse JSON responses, using Riverpod/Provider and local persistence for app state and data flows.
- Fix bugs assigned in Jira across live apps and release the updates.

Flutter Developer, Success Innovative, Surat | Sep 2025 – Mar 2026

- Built Flutter UI layouts and navigation flows in Dart for mobile app features.
- Implemented Firebase and local databases for app data; debugged issues and tested builds during development.

PROJECTS (LIVE APPS)

Vapi Startup Community | Google Play | App Store

Flutter, REST APIs, Android and iOS

- Owned the Flutter implementation for Android and iOS, and shipped to both stores.
- Built login and OTP screens and integrated the backend APIs for app workflows.
- Built the Studio section, which displays videos and reels uploaded through the backend.

Bhajan & Kirtan | Google Play

Flutter, Riverpod, Hive, REST APIs

- Built the UI and the playlist and song API flows using Riverpod for state management.
- Improved premium subscription persistence with Hive and resolved release and debug build issues.

AGB Courier & Cargo Service | Google Play

Flutter, modular architecture, REST APIs

- Set up the modular Flutter project foundation, built the login UI, and integrated APIs for courier workflows.

KEY SKILLS

Language / Framework: Dart, Flutter (Android and iOS)
State Management: Riverpod, Provider
Networking: REST APIs, JSON parsing, Postman
Backend / Storage: Firebase, Hive, SQLite, SharedPreferences
Release: Google Play Console and App Store submission, app signing
Tools: Git, GitHub, Jira, Android Studio, VS Code
Spoken Languages: English, Hindi, Gujarati

EDUCATION

Bachelor of Computer Applications (BCA), SSR College of Arts, Commerce & Science, Silvassa | 2024
